SUMMARY

Enthusiastic and goal-driven elementary school teacher. A versatile individual with the talent to create hands-on lessons that capture a child's imagination and breed success. Effectively addresses every child's learning style and abilities. Exceptional interpersonal and communication skills to foster meaningful relationships with students, staff, and parents. Proficiencies include:

Student Assessment	Creative Lesson Planning	Parent-Teacher Communication
Guided Reading	Technology Integration	Multicultural Awareness
Classroom Management	Multidisciplinary Lesson Plans	Textbook Review/Selection
Individualized Education Plans	Student Motivation	Interdisciplinary Reading

PROFESSIONAL EXPERIENCE

HOMETOWN ELEMENTARY SCHOOL – Hometown, OH **Teacher (1st Grade)**

2xxx-Present

Develop grade-level appropriate curriculum and lead classroom instruction in all basic subject areas: reading, writing, math, social studies, and science. Served as grade-level coordinator and member of math textbook adoption committee.

- Played a key role in orchestrating adoption of a new math program to better meet student needs. Established process/implementation timelines, presented benefits of new curriculum to colleagues, and coordinated ordering of textbooks and supplies.
- Supported a balanced reading program through the implementation of writing and reading workshops.
- Developed learning center on dinosaurs for first-through third-grade students, earning State Teacher's Association recognition for combining math, history and science in a primary school project.
- Introduced weekly parent newsletters and held frequent parent conferences to encourage open communication, enhance parental understanding of individual learning goals, and instill a strong commitment to meeting educational objectives established for each child.

ACME MIDDLE SCHOOL – Acme, OH **Teacher (7th Grade)**

2xxx – 2xxx

Taught students the fundamentals of 7th Grade core curriculum. Provide accurate assessment of student learning abilities, designing and implementing standards-based and developmentally appropriate instruction to ensure meeting all individual student needs.

- Increased student reading levels through the implementation of daily Guided Reading Program; students became engaged in comprehension and reading, improving scores by 251.
- Inspired a higher degree of parental involvement in student education through the use of daily reports, notebook check-in system, and telephone calls.
- Increased completion rate of homework assignments by developing and implementing an ongoing reward system.
- Tutored three children after school resulting in increased academic performance.
- Significantly improved behavioral issues by devising and implementing a daily report system that encouraged self-monitoring; students realized consequences and rewards for their actions.

Teacher (7th Grade) - continued

- Enhanced multicultural awareness among students by incorporating cultural awareness into lessons, cooperative learning with flexible grouping.
- Integrated technology through the development of units that included computer literacy skills; adapted activities to meet the needs of individual learners.

ANYTOWN MIDDLE SCHOOL - Anytown, OH**2xxx****Summer School Teacher (7th and 8th grades)**

- Designed and taught science lessons using a hands-on approach for students needing remediation in Science for the Ohio Proficiency Test

ACME EAST ELEMENTARY SCHOOL - Acme East, OH**2xxx-2xxx****Temporary Teaching Placement (4th grade)**

- Served as a temporary teacher for 4th grade class on a one-year contract. Prepared English and History assignments; reviewed and corrected all homework with an emphasis on providing feedback to each student.
- Devised lessons, which captured the children's imaginations for e.g.: Preparing scenes from well-known works or scenes from historical events and having the children act them out.
- Provided a monthly written report to the school board and the PTA on the progress of the class.
